Building Bylaw Review

JAN 17 1990

Municipality: Rural Municipality of Maryfield No. 91
Bylaw No.: 7/89 **Date Passed:** Dec. 12/89
Comments:

Sec. 5(6) - Permit fees should reflect the level of building control the municipality provides. Our recommendation regarding permit fees is that the fees should be set at a level that will recover the municipality's cost to provide this public service.

Any previously enacted municipal building bylaw should be repealed by council.

A copy of any amendments to this bylaw should be filed with this office.
