Are you looking forward to the Spirit of Christmas Concert?

If you are, please consider volunteering to help organize the concert this year.

The present lead organizer, Margaret Penner, and her committee are stepping back. Volunteers are needed to organize this year's concert.

Margaret and her committee have a list of local entertainers they have hosted in the past—a great resource as you start to plan. A to-do list is also available so you and your committee know the basics of what needs to be done.

Need more details? Call Margaret at 306-646-4941.

Volunteers have until November 15 to contact Margaret. If no one steps forward, the concert will be put on hold until volunteers can be found.

Maryfield Harmony Centre News

Thank you to the folks that were able to join us bid farewell to Peter and Annie and to welcome Manesh and Shilpa.

We all know that the Maryfield Corner Store is a life blood to our community and each owner in their own way have made it a viable business. They have all worked hard for the good of our community. I asked if anyone had rushed down at 10 minutes to six for essentials!

Barb Swallow (who was unable to attend) sent word of the thanks for the donations to the community and also for being available at sometimes later hours when they were in need of more supplies and they willingly helped.

We had a basket for anyone in the community who wanted to give a small donation of thanks for their eight years in Maryfield. They, in true Peter and Annie fashion, added to it and donated to the Seniors Drop In.

The Seniors Harmony Centre sincerely thank them.

THANK YOU

I would like to say farewell to my many friends in the Ryerson and surrounding districts. When I moved with Jack in 1994, I never thought I would make so many wonderful friends that I hate to say good-bye to. I joined a few clubs while I was there. The "Lions" which was a wonderful helpful organization, that I loved belonging to. TOPS was a bunch of caring girls. I'll miss them very much. Thanks girls for all the help you gave me. Then there's the Ryerson Community Club. They were there to help you any time. Whether it was to take skunks out of the basement, help you with frozen pipes or push the snow. They were there to help.

My second family—I'll miss them all, but they will always be there at a beck and call.

I am moving to Melville to be closer to my family. I live at the Heritage Place (across from the Court House—just in case I have to go there), Box 243, Melville, SK S0A 2P0. Phone 646-4672.

Please come and see me or give me a call. You can tell me all the news.

Take care & God Bless! Helen Aulie

EXERCISE IN OUR COMMUNITY

Did you know Maryfield has a fully equipped gym? You can speak to the rec board about getting yourself a membership.

Exercise doesn't have to happen in the gym, you can find many exercise programs and videos online for free.

Check out Maryfield Public Library for books on exercise regimes if you are not online.

Try going for a walk and follow the Walk About Maryfield Signs! You can start off at the billboard on Main Street by the store and go from there.

Live out of town? Take a walk around your yard, down the road or through the field.

Exercise can be simple!

BROCCOLI CHICKEN CASSEROLE - HAVE IT TONIGHT, TOSS IT IN THE FREEZER OR LUNCH TOMORROW!

- 8 ounces uncooked pasta
- 1 large head of broccoli, cut into bite-sized florets (or a bag of frozen)
- 2 tablespoons butter or olive oil
- 1 small white onion, thinly sliced
- 8 ounces mushrooms, thinly sliced, or canned
- 4 cloves garlic, minced
- 3 tablespoons flour
- 1 cup chicken or vegetable stock
- 1 1/2 cups milk
- 1 teaspoon Dijon mustard
- 1/2 teaspoon salt
- 1/4 teaspoon pepper
- 2 cups (8 ounces) shredded sharp cheddar cheese, divided
- 2 cups diced (or shredded) cooked chicken (sub canned if needed)
- Preheat oven to 400. Cook pasta in a pot of salted boiling water until it is al dente. However, about 1 minute before the pasta is done, add the broccoli to the boiling pasta water and stir until combined. Drain both the pasta and broccoli, and set aside.
- Heat the butter (or oil) in a large pan over medium-high heat. Add the onion, sauté for 3 minutes, stirring occasionally. Add the mushrooms & garlic and sauté for 5 more minutes, stirring occasionally, or until the mushrooms are cooked through.
- Sprinkle the flour over the onion mixture, stir until combined. Cook for 1 minute. Add in the stock, stir, add in the milk, Dijon, salt and pepper, stir until combined. Continue cooking the sauce until it reaches a simmer. Remove from heat and stir in 1 cup of the shredded cheese until it is combined. Taste and season with additional salt and pepper, if needed
- Bake in a 9x13 pan uncovered for 15 minutes, remove from oven, sprinkle with cheese, bake for ten more minutes, enjoy!

November

Remembrance Day is on Saturday, November 11.
Lest We Forget.

This year we are continuing our Remembrance Day Service at Maryfield School. It will be on Friday, NOVEMBER 10, 11:00 at Maryfield School. This is to include the school students so they all may attend with us. Thank you, Maryfield School for hosting again this year. Everyone is welcome to attend.

I want to extend my gratitude and thanks to everyone who came out to the Fall Fest Market! It was a great day, we had many vendors and shoppers. Thank you to the volunteers who helped set up and take down as well.

I headed to the Villa to do a craft in October as well. This was sponsored by Maryfield Recreation and free to the residents. We made a fall themed wooden door hanging craft and had a great time. I am headed back to the Villa to do a Remembrance Day Craft with the residents as well.

I am also very excited to say that I am teaming up with the Villa Staff to create a carnival afternoon for the residents later in November!

October also brought a Halloween Party at the Rink! Lots of fun for everyone!

I hope you all had a wonderful Thanksgiving and Halloween if you celebrate.

I also wanted to say thank you to everyone who has already contributed to Santa For Seniors! We have had an outpouring of donations and I am truly grateful for this communities generosity!

November Events - be sure to check the graphics in this newsletter for full details! If you would like an update on events and are not on social media, feel free to give me a call!

Cut Flowers: I just learned, when talking to a judge, that lilies or any flower with a spike (e.g. snapdragons) should have 1/3 stem, 1/3 flowers out and 1/3 flowers just starting to bloom. I always wondered about this because, by the time the last flowers are out, the first ones are starting to die.

News From Maryfield School

The past month was filled with many events and activities, and it kept everyone – staff, students, and parents – very busy. We kicked-off October with our School Open House on October 03rd. A special congratulations to the Hyatt family who won the Open House trivia activity! On October 13th, students participated in the annual Soups On! event, sponsored by the School Community Council (SCC). Thank-you very much to all of the families who donated vegetables and other supplies to make this (delicious) event possible! We are truly fortunate to be part of such an actively engaged community. Students have continued to be active in our extra-curricular clubs and sports teams. Notably, both the junior boys and junior girls volleyball teams have been busy practicing and playing games in preparation for Districts in November, and the cross country team finished its season with two athletes qualifying for Provincials which were held in Regina on October 14th. Very well done to Owen Gray (Intermediate Boys) and Zaidyn Penner (Senior Boys) who each completed their races with impressive times!

In addition to the extra-curricular opportunities that are available to Maryfield students, we have also been excited to revive house teams and team points. The teams have been re-branded for the 2023-24 school year, with each team being named for a different bird. While we are all Falcons here at Maryfield, students have been organized into three different house teams: The Pink Flamingos, The Blue Buzzards, and The Red Angry Birds. In connection with our Orange Shirt Day and the National Day for Truth and Reconciliation at the end of September, students learned about the importance of education in building community and connection – and therefore, the lasting trauma and deep damage caused by residential schools. As a school, we embraced the words of The Honourable Murray Sinclair, chair of the Truth and Reconciliation Commission and former member of the Canadian Senate: “Education has gotten us into this mess, and education will get us out.” It was in this spirit that students got together and named their new house teams, made team banners, and wrote team chants. We will continue to update the community about these house teams and the point standings in future newsletters!

SCC News

“Engaging the community in the learning and well-being of our youth.” Hello from the School Community Council! This year’s council members are Miryha Retzlaff (chair), Jaida Adamson (vice chair), Ana Gray (secretary/ treasurer), Lisa Pahl, Sarah Romanik, Izette van Jaarsveld, Sherry Retzlaff (teacher representative) and Jordan Ethier (principal). Outgoing member: Ashley Clark.

In October, we had our annual Soup’s On hot lunch. Every school family brings in an item and the SCC prepares the soup. This year some of the veggies came from our student – grown veggie planters at the front of the school. Thank you to last year’s 8/9 class for planting the veggies and this year’s 8/9 class for picking the veggies. Thank you to this year’s 8/9 class for prepping all the veggies for the soup. Thank you to Owen Gray, Hannah Low, and Jessica Veysey for helping to prepare and serve the soup. Thank you to Barb Swallow for all the delicious buns.

The SCC is currently running a Borderland gift card fundraiser. If you would like to purchase a gift card, talk to an SCC member or a student. Thank you for your support. This money will go towards future SCC initiatives that help support our students and school.

We hope everyone enjoys a safe and fun Halloween! Shout-out to all the teachers who get those candied-out kiddos on a Wednesday.

If you would like to get involved with the SCC, we meet the first school day Monday of the month. New members are welcome!

Alternatively, if you would like to join our volunteer bank (no meetings required) please let an SCC member know and you’ll be added to the list. We periodically call on our volunteer bank for extra help in the school and for community events. We really appreciate the extra hands.

Our next meeting is **November 6th at 7pm** in the school library.
