It's spring time! I hope you're all enjoying some of this nicer weather, getting your yards and gardens ready and prepping for seeding!

We held an Easter egg hunt and craft at the rink, lots of fun was had. The weather certainly worked against some of the April activities but most have been rescheduled! We did have a bonfire hot dog lunch at the Villa with Maryfield School. We had a great time, students cooked for the residents and themselves and enjoyed the fire.

We will be offering lunch at the rink on May 17. Beef on a bun with soup and dessert, also available to go! Seeding lunch made easy!

Check out the graphics in this newsletter for details on all our events and activities.

What's happening in May?

News From Maryfield School

Spring has finally sprung! We are finally enjoying some sunshine and warmer temperatures. The baseballs have come out and our older kids are choosing to spend some of their free time outside and away from their phones. It is wonderful to see!

As we move into May you will see a few different fundraising initiatives happening through the school. We are currently raising funds to purchase new black folding chairs for our gymnasium so that we may retire the old wooden ones. We will be doing a bottle drive on May 12th. Please leave your bottles at your curb and we will pick them up at approximately 11AM! If you live out of town and would like to donate bottles please contact the school and we will arrange for one of our staff/students to pick them up!

Our second fundraiser that we are doing is with **Little Caesars Pizza Kits!** For every kit that we sell our school receives \$6! Orders need to be in by Thursday May 18th! We have paper order forms that will be going home with students, or you can place an order on a paper form at the school office. We are also accepting online orders. To place an order online:

Go to PizzaKit.ca
Click on *Products*, then *Shop*
Select *Ship My Order to the Group*
Enter the **Fundraiser ID# 424557**, set up your account, and place your order!

As we get closer to the end of the school year we are very excited to once again be planning for a Summer Kickoff Party! On Tuesday June 27th, we would like to invite the entire community out to our school for supper and some fun. We will be having the Mexican King food truck here to feed the people and we will also be having some outdoor games, and a community softball game. We will be finishing the evening with a kids movie in the gymnasium on the projector. If you have any ideas on how we can make this event even bigger and better please feel free to get in touch!

We are currently planning for our graduation festivities here at the school. Grad is scheduled to take place on Saturday June 17th and will include a banquet supper for the graduates and their families, as well as a ceremony that will be open to the public. In order to help set these graduates off in the right direction, we are always looking for new sponsors for our graduation scholarships and awards.
