ANNOUNCEMENTS

TOPS meets every Thursday at 3 p.m. at the Seniors' Harmony Center, 206 Main Street, Maryfield. Everyone Welcome!

THANK YOU

I'd like to say a huge thank you to the Ryerson Community Club for the farewell gift of a year's subscription to the Maryfield Community Newsletter. It is very much appreciated and a great way to keep in touch with what's happening in the Maryfield area. Henry and I loved the farm and being a part of the Ryerson community. Please stop in for a visit anytime you are in Wawota.

Joan Fowler

We know this is long overdue but Delbert & I would like to thank you all for your care and concern after our house fire in Oct. /2021. We thank many for your generosity in monetary gifts and household items. It all helped so much. We thank Gilbert & Margaret Penner for offering us their home where we stayed for a week while trying to get organized. Also Danny & Linda Roberts for their offer of a place to live so soon after the fire. Thanks also to Murray & Jean Taylor. Your house fit our needs perfectly. On January 21st we moved back to the farm and into our new home and want each and everyone of you to know that you're welcome to stop by for a visit.

Delbert & Elfriede Thiessen

I want to thank everyone who helped me and gave me rides while I didn't have a running car. You know who you are. I am really lucky to live in a Village with such caring people. A special thank you to my neighbours. May God bless you all. Charlotte

Diabetic /Nutrition clinic Wednesday, March 22, 2023.

PRESCRIPTION RENEWALS

Please call to book an appointment to have your prescriptions renewed a **few weeks** before your medication will run out. We often have a two-week wait for an appointment. On your prescription bottle, there will be a number beside "REFILLS". This is how many refills you have remaining. Please note that an appointment time must be set aside for your prescription renewal requests, even with a telephone appointment.

MARYFIELD FOOD PANTRY

This service is intended to assist individuals and families for a short term, while they are getting their situation under control. It is not intended as a long-term plan.

Please call (306) 646-4470 and leave a message containing your name, address, and a contact number. Messages are checked monthly. For immediate assistance, please call the clinic @ (306) 646-2133. All services provided are strictly confidential.

DID YOU MISS OUR VACCINE CLINICS? IT IS NOT TOO LATE TO GET YOUR SHOTS! We will have vaccines on hand through the winter months. Give us a call and we can schedule you for your vaccinations.

Have you borrowed some equipment from the Clinic and are no longer using it. Now is a great time to return it for someone else to borrow. There is always a need for walkers, toilet arms, toilet seats, crutches, canes, shower seats and nebulizers.

Health Promotion in March

March is Nutrition Month - Dietitians work across all areas of food and nutrition, on the front line and in leadership roles to address the nutritional needs and challenges of the many varied and unique communities they serve.

March is Colorectal Cancer Awareness Month - Become familiar with common colorectal cancer signs and symptoms. If you notice any symptoms, be sure to inform your doctor as soon as possible. When caught early, colorectal cancer is highly treatable.

Maryfield Rink has been very busy, and we love it! Many curling events, bonspiels, hockey lessons, power skating, skating lessons, family nights, rec hockey and public skating. Thank you to everyone who comes out to these events, supports them, volunteers and makes them happen!

We are getting excited for Winter Family Fun Day, March 12th. at the rink. We have lots of activities planned and are happy to share this marks 50 years for this rink.

Be sure to check out our graphic in this newsletter for all the details, find updates on Facebook, Instagram and TikTok.

Check out the graphics in this newsletter for details on these events and activities:

- Don't forget about our snowshoe rentals.

- Saturday morning Yoga with Lynda Aguero. Maryfield Auditorium. 9:30am.
- Garden Planning and Seed Starting Workshop. Tuesday March 7th @7:00.
- Freezer/Meal Prep Class. Wednesday March 8 @6:00.
- Winter photography contest.
- ice Sculpture Contest.
- Winter Family Fun Day. Sunday, March 12th.
- Trivia Night at The Arlington. St. Patrick's Day. Friday, March 17th @7:00.
- Rec sports at the school • We are having a volleyball game on Tuesday, March 21. 7:00 You can sign up on your own or with friends. All skills levels welcome.
- Wine & Paint Night with Eli Barsi. Friday, March 31 @7:00. Maryfield Rink

MARYFIELD RECREATION

Remember to follow Maryfield Recreation on Facebook and Instagram for frequent updates!

My office is located at the Village of Maryfield building. I am scheduled there Tuesday mornings from 9:00-12:00. The remainder of my hours in the week are spent in office and the community. If you wish to connect, please don't hesitate to reach out. My contact information is below.

I will also continue to get information out there using other avenues. Information will be posted here in the newsletter each month, watch for posters, flyers, and the Lions Board on Main Street. If you have ideas for our community, feel free to send an email, text or call. Thank you!

Announcing.....

the **Tin Can Kitchen** is open for business. Don't let the name fool you – out of my tin trailer (licensed & inspected) comes home-style baking and more.

Pies, loaves, cookies, buns, frozen meals, soups....
..... actually I'll make (almost) anything you want. Sandwiches and dainties for that function, salads for your BBQ, field meals, desserts & more.

I often have some frozen goodies on hand but usually need a little notice to prepare your order.

Contact me (Bev Down) by phone/text at **646-7610**. Drop-ins are welcome but my hours are not always predictable – I work when I'm needed and take time off when I can - I am very flexible and will always do my best to accommodate you.

I accept cash, debit, cheques and e-transfers. Located 2 miles south of Fairlight on #8 – right next door to: **FIRST PICK MARKET GARDEN**

DID YOU KNOW... “Rail is the most efficient way to transport goods when it comes to the amount of energy required per ton of cargo? If you look at a convoy of trucks rolling down the highway, each unit has its own engine and the load is supported by eighteen wheels mounted on soft rubber tires made from fossil fuels and likely to wear out within a year. The soft tires present a lot of rolling resistance with the asphalt highway, also made from fossil fuels, that must be constantly repaired and resurfaced. A train can pull more than a hundred cars with two or three engines that use steel wheels running on steel rails with very little rolling resistance. Trains are up to six times more fuel efficient per ton of load than trucks and emit a similar amount less carbon.

Cars emit roughly 192 grams of carbon per passenger kilometre while diesel passenger trains emit 41 grams and an electrified train only 4 grams.” Excerpt from Bob McDonald’s book The Future is Now.

News From Maryfield School

Well, we blinked and suddenly February is over! Our grade 10-12 staff and students have settled nicely into their semester 2 courses this month. A slight internet hiccup at the school in February had both staff and students switching things up and going "old school". It was a fun change, but we are all looking forward to systems being back online after the February Break.

Our graduating students will be running the pancake breakfast which will take place before the Fire Dept. Skidoo Derby on March 4. This year's graduating class will consist of Brett Naylen, Callie Naylen, Hunter Olson, Landon Retzlaff, and Logan Stadnyk. They will be fundraising to help cover some of the costs associated with their event on June 17.

The Canadian Curling Association has once again funded a wonderful program that enabled our Grade 3-7 students to learn many valuable lessons about the sport. Barb Swallow, Janet Lemon, Randy O'Greysik, and many guest coaches worked with our students to build their curling skills and strategy. They wrapped up the program with a short game during their last session on February 16th. Thank you to everyone who helped with this program! In addition to this, Barb Swallow has also been busy coaching our junior mixed curlers, and we truly appreciate all of the hard work that she puts into working with our students. Thank you!

On March 7, students from Kola will be joining our Grade 1-5 students to partake in the annual Mini Spiel! This exciting full day of athletics will take place at the rink and is a great way to foster a wonderful sense of community spirit. The SCC will be running the kitchen for this event, but due to the busy nature of the event they will need help in order to make sure that things go smoothly. Parents of Grade 1-5 students should watch their email for a request for volunteers. If any other members of the community or parents of older students would like to help us in the kitchen as well, call me or message and I would love to help you to sign up!

Our school is also preparing for our annual Ski Trip to Asessippi on March 24th. Parents should expect to see forms coming home at the beginning of March. If any members of the community would like to join us for a fun and affordable day of winter fun at the school rate, please contact the school or stop by to pick up the forms. We will need to have all forms back in by March 14th in order to meet the deadlines that the ski hill gives us.

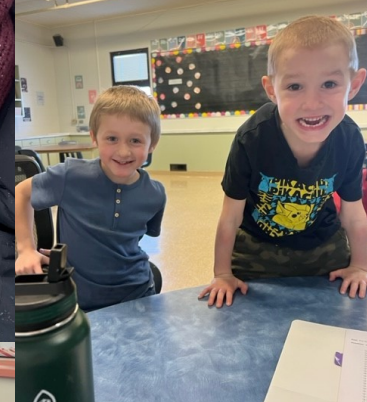

Upcoming Dates:

March 2 – Pink Shirt Day
March 4 – Pancake Breakfast Grad Fundraiser
March 6 – SCC Meeting – 7PM in Library
March 7 – Mini Spiel
March 10 – SCC Dance
March 17 – PD Day – No School
March 24 – Ski Trip

As always, keep an eye on the school Facebook and Instagram pages for updates on everything that is happening at the school!

Showtime: 8 PM

Doors open at: 7:30 PM

Wheelchair Accessible

Friday, Mar 3 & Saturday, Mar 4

Avatar: The Way of Water

193 min

Starring: Sam Worthington, Zoe Saldana

Rated PG Violence, Course Language, Nudity

Genre(s): Action, Adventure, Fantasy

Jake Sully lives with his newfound family formed on the extrasolar moon Pandora. Once a familiar threat returns to finish what was previously started, Jake must work with Neytiri and the army of the Na'vi race to protect their home.

Friday, Mar 10 & Saturday, Mar 11

80 for Brady

99 min

Starring: Lily Tomlin, Jane Fonda

Rated PG Coarse & Sexual Language

Genre(s): Comedy, Drama, Sport

The movie is inspired by the true story of 4 best friends and New England Patriots fans who take a life-changing trip to Super Bowl LI to see their hero Tom Brady play, and the chaos that ensues as they navigate the wilds of the biggest sporting event in the country.

Friday, Mar 17 & Saturday, Mar 18

Marlowe

110 min

Starring: Liam Neeson, Diane Kruger

Rated 14A Violence

Genre(s): Crime, Mystery, Thriller

In late 1930's Bay City, a brooding, down on his luck detective is hired to find the ex-lover of a glamorous heiress.

Friday, Mar 24 & Saturday, Mar 25

Magic Mike's Last Dance

113 min

Starring: Jemelia George, Channing Tatum

Rated PG Course Language & Sexual Content

Genre(s): Comedy, Drama

Mike takes to the stage again, following a business deal that went bust, leaving him broke and taking bartender gigs in Florida. Mike heads to London with a wealthy socialite who lures him with an offer he can't refuse.

Friday, Mar 31 & Saturday, April 1

Living

103 min

Starring: Bill Nighy, Aimee Lou Wood

Rated G

Genre(s): Drama

In 1950s London, a humorless civil servant decides to take time off work to experience life after receiving a grim diagnosis.

March 11 1:00 Let's build a snow hill!

**SASK LOTTERIES
COMMUNITY GRANT**

Each year funding is available through Saskatchewan Lotteries. The funding amount is based on a per capita amount, for the populations of the Village of Maryfield, the Village of Fairlight, the RM of Maryfield and the RM of Walpole. The program is designed to provide funding for sport, culture and recreation programs and is administered through the Maryfield Recreation Board.

The Recreation Board then disperses the money to local groups and clubs (some via kitchen convening). A follow-up report must be prepared for the Saskatchewan Lotteries Community Grant. The follow-up report includes receipts for eligible expenditures.

Organizations that wish to receive grant money can contact Pauline Lincoln, Maryfield Rec. Board treasurer, for information on allowable expenses. Projects and related expenses must have occurred between April 1, 2022 and March 31, 2023.

Call/text Pauline at 306-646-7691 or email paulinelincoln8@gmail.com.

SCC News

“Engaging the community in the learning and well-being of our youth.” Hello from the School Community Council! This year’s council members are Ashley Clark (chair), Jaida Adamson (vice chair), Ana Gray (secretary/ treasurer), Miryha Retzlaff, Lisa Pahl, Cherrie Naylen, Sarah Romanik, Sherry Retzlaff (teacher representative) and Petina Cook (principal).

We started off February working in the rink kitchen for Junior Mixed School Districts on February 10th and 11th. Maryfield placed a respectable 2nd. Nicely done, curlers! Thank you everyone who picked up a kitchen shift and/or donated food. The kiddos ate all the treats in one day so we had to organize for more food. Thank you to the people who responded on short notice.

February 13th to 17th was Teacher Appreciation Week. We bought and prepared the ingredients for build-your-own Chicken Caesar wraps for the teachers on February 14th. On February 17th, we had cupcakes brought in. Thank you to Sarah Van Eaton (Van Eaton Cakes) for donating and delivering the cupcakes.

On February 17th, we prepared a Grilled Cheese and veggies hot lunch. We are looking for hot lunch ideas. Students and parents, if you have any ideas, please send them our way.

On March 10th, we are having our annual **K to 5 Family Dance** from 6:30 to 8:30. We would like to **invite the playschool kids** and their families to join us so they can see their new school before they start in the fall.

This year we are hosting two dances! Also on March 10th, we are hosting a **Grades 6 to 8 Dance** from 8:30 to 10:30. If you would be interested in chaperoning for this dance, let a member of the SCC know. Thanks in advance.

If you would like to get involved with the SCC, we meet the first school day Monday of the month. New members are welcome!

Alternatively, if you would like to join our volunteer bank (no meetings required) please let an

SCC member know and you’ll be added to the list. We periodically call on our volunteer bank for extra help in the school and for community events. We really appreciate the extra hands.

Our next meeting is **March 6 at 7 pm** in the school library.

SEEDA JUNIOR MIXED PLAYDOWN

Maryfield Rink was a bustling place Friday, February 10 and Saturday, February 11, as eight junior mixed teams from the South East Cornerstone Public School Division took to the ice for their district playoff. Friday saw the teams play three 6-end games in two pools of 4. Based on their win-loss record and their SBTRS (Skill Based Test Ranking System) points, the teams were ranked and placed in a double knock draw on Saturday. Teams were assured of two or three games in the Saturday draw. The two-day event gave the young curlers an opportunity to practice their skills in game situations. Great fun was had by all. They were tired by the end of the 2-day event but a good tired. There were lots of great shots made; and a few not-so-great shots, but that’s how the game rolls for even the best of curlers. The playdown provided opportunity for the young curlers to put their knowledge of the strategy of the game to the test. Coaches could talk strategy with their teams during time-outs and the third end break. The curlers put their skills to the test, developed their strategy, made some great connections with other youth in the district and most importantly, learned the importance of teamwork, positive feedback and sportsmanship.

Moosomin was the gold medal winner, defeating Maryfield in the A Event Final. Wawota A team defeated Wawota B team in the 3-4 game. Carievale took 5th place, defeating Gordon F Kells. Other teams competing in the event were Lyndale from Oungre and Alameda.

It was wonderful to see so many parents, grandparents, neighbours and friends out to watch the young curlers.

We also accept e-transfers for advance tickets at: moosominanddistrictartscouncil@gmail.com

At-the-door Sales: Adults: \$25; Students: \$15 Doors open @ 6:30PM.

Prisoner of Tehran, based on the book of the same name, is a unique collaboration between Iranian born writer/speaker Marina Nemat and MOTUS O. This unique performance piece is a synthesis of theatre, video and storytelling that swims in a landscape of movement brushing the themes of oppression, persecution, survival and most of all HOPE. After the Islamic Revolution of 1979, Marina was arrested at the age of sixteen and spent more than two years in Evin, a political prison in Tehran, where she was tortured and came very close to execution. She came to Canada in 1991 and has called it home ever since. Marina's book Prisoner of Tehran has been published in 28 other countries and is an international bestseller. After each show a Question-and-Answer period will take place. Prisoner of Tehran has toured much of Canada including performances to over 10,000 high school students.

Maryfield Curling Club Says Thank You

Maryfield Curling Club hosted their annual open bonspiel on February 15-19, 2023. Sixteen teams participated in the spiel, travelling from Regina, Wapella, Moosomin, Welwyn, Virden, McAuley, Souris, Redvers, Cromer and Maryfield (I hope I didn't miss any locations).

Blaine Stewart and his team of Brayden Stewart, Derrick Hartlin and Riley Stewart captured the A Event with a win over the Randy O'Greysik team. The Kelly Kay team won the B Event; Dean Stewart's team won the C Event and Nicola Erickson's team won the D Event. The bonspiel featured 4 events with a pick-a-prize following the last draw. There was a great selection of prizes thanks to many great sponsors and funding from the bonspiel entry fees.

Thanks to our sponsors:

Arlington Hotel
 Cairns & Sons Refrigeration
 Canadian Energy Services
 Horizon Meats
 Cromer Valley Store
 FnF Construction Ltd.
 Four Seasons – Virden
 Penner Lumber Co.
 Home Hardware – Virden
 Viterra – Fairlight
 Lincoln Farm Supply
 Maryfield Corner Store
 Brent Duncan – Cromer
 Lyle Adair – Souris
 Pattison Agriculture – Moosomin
 M. Clark Custom Hauling

Curlers enjoyed a seasoned pork supper included with their bonspiel fee. The supper was also open to non-curlers with 50 extras enjoying the great meal which included salads, baked potatoes,

baked beans, buns and desserts.

Maryfield Curling Club has been hosting bonspiels for approximately 110 years – thanks goes to our local teams as well as those that travel to make our bonspiel a huge success. The work of locals in the kitchen, on the ice and in the bar, the donations of prizes and food, and the support of community as spectators and cheerleaders all go to ensure that the spiel is a success.

Special thanks to:

- ♦ Bryan for doing the ice
- ♦ Jerry Low for cooking and cutting the pork.
- ♦ David Hill for cooking the beans
- ♦ Everyone who helped with food for the supper and the kitchen
- ♦ Everyone who helped gather prizes
- ♦ Everyone who worked the bar and kitchen

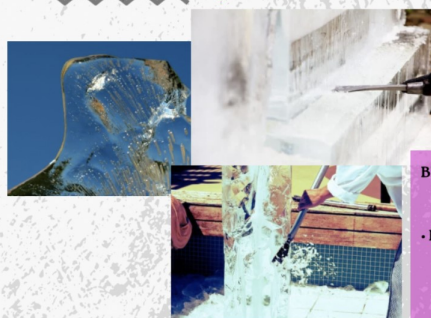

WANTED

Pictures of the Maryfield Rink over the last 50 years.

We would like to do a photo slide show of the life of the Maryfield Rink for the Winter Family Fun Day on March 12. If you have any pictures of the Maryfield Rink that you would share with us to use in the slide show, call/text Barb Swallow @ 306-646-7725. Pictures can be scanned in and emailed to Barb at bswallow@sasktel.net or dropped off at 307 Barrows Street. Pictures will be scanned in & returned.

FOR THE LOVE OF CURLING

Thank-you to Curling Canada for your funding - Maryfield

The Maryfield Curling In-School Program has wound up for its second year. At the request of the school, the second year of the program was subdivided into two, with four sessions in 2022-23 and 2023-24. Twenty-seven students from grades 3, 4 & 5 participated in a 2-hour session in the morning and twenty-two students from grades 6 & 7 participated in a 2-hour session in the afternoon on four school days - January 12 & 30, February 2 and 16. While the majority of students were from Maryfield School, several home-schooled students took advantage of the learning opportunity as well.

The sessions focused on curling delivery – slide basics, line of delivery, broom placement, weight control and sweeping techniques. A short off-ice session each day offered the opportunity for a snack as well as discussions on curling terminology, scoring and strategy. The last day of the program, students put their skills to the test in a 2-end game following their snack break. Great fun was had by all.

Funding for this program is through the “For the Love of Curling” Youth Program, a Curling Canada grant. Curling Canada allowed the second year of the grant to be split into two 4-session years instead of one 8-session year as in 2021-22. As a result in the 2023-24 school year, students will again have access to the curling ice and knowledgeable instructors who can help them learn the game of curling and develop the skills for a game that can be enjoyed for a lifetime – one of Canada’s top sports.

Instructors for the program include lead instructor, Barb Swallow, co-ordinator of the program, Janet Lemon and local curler, Randy O’Greysik. This year, two special

guest instructors shared their expertise with the young curlers, local Kim Eklund who has had considerable success in juniors and ladies as well as Rachel Erickson. Rachel has also had great success at the junior and ladies’ level; most notably,

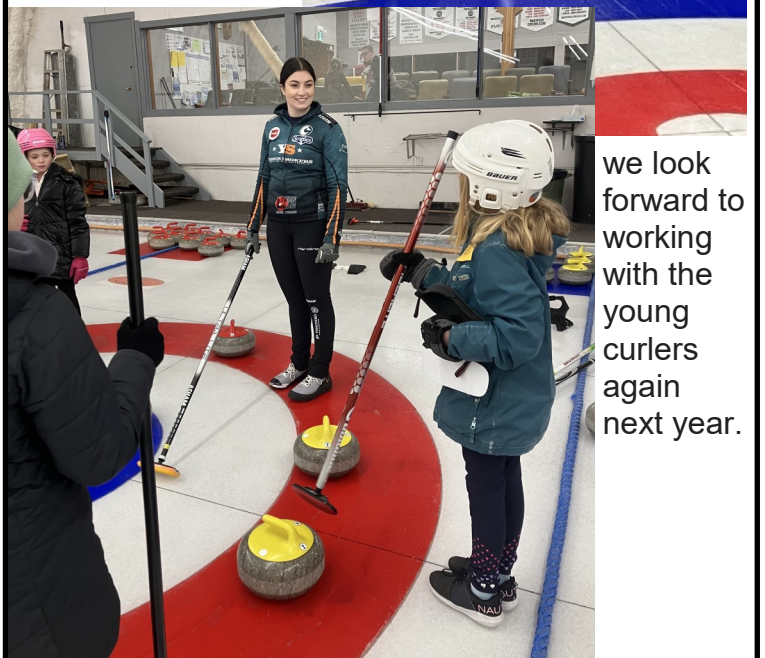

Rachel was the alternate for the Mackenzie Zacharias team that won the 2020 World Junior Curling Championship. Currently Rachel throws lead for the Chelsea Carey rink out of Manitoba.

The “For the Love of Curling” Youth Program sponsored by Curling Canada has given the students of Maryfield School the unique chance to learn how to curl as a part of their physical education program.

Organizers of the program, Janet Lemon and Barb Swallow, would like to thank the staff at Maryfield School for adjusting their daily schedules to give the students a 2-hour window on each of the 4 days. Thanks to those parents who drove the students to the rink on the two days that were extremely cold.

Thanks also to those who helped with instruction – it was a very successful year and

we look forward to working with the young curlers again next year.

SNOW PLOUGHING:

So far this winter we have not seen many storms come our way, but, winter is not over. In the event we do receive a winter storm (or two), Council would like to remind you that grader operators will be out after the storm is over to clear the main artery roads and bus routes first. They will move onto secondary roads, and bin yards, before finishing up the rest of the RM. If you have issues with a road that is blocked after a storm, please call your councillor.

Please remember that the graders will not be out on the roads when there is 80 kms winds and blowing snow. Once the storm is over and visibility is good – the graders will be out working as quickly as they can.

If you are ploughing snow yourself, please keep refrain from piling the snow on municipal right of ways.

SUMMER STUDENT EMPLOYMENT OPPORTUNITIES:

The RM Council is accepting resumes until Noon April 12, 2023 for Summer Student applications. Detailed job postings are listed on our website. Those who are interested can submit their resume either in person to the RM office or email rm91@sasktel.net.

OFFICE HOURS:

The RM office hours are Monday to Friday from 9:00 – Noon, 1:00 - 5:00, unless notice is posted on the front door.

Maryfield Auditorium Progressive Smokin' Tokens Update

The first draw of the next Progressive Smokin' Tokens was on February 17th. There were 59 active tokens in the draw drum of 300 tokens. The 7th token out the drum belonged to Gerald and Bev Down and they won \$236. Congratulations Gerald and Bev! \$354 of the February draw went into the Progressive Jackpot. The March draw begins at \$864. The next draw is March 17th at 7:00 p.m. and can be watched live on the Maryfield Auditorium Facebook page. Tokens must be activated by 5:00 Thursday, March 16th to be included in the Friday night draw.

Did you know that if every one of the 300 tokens was active there would be a guaranteed winner of \$3,600 at each draw for the remaining 11 draws with this license, and the Committee would have more than 3/4 of the money raised to give a much needed renovation to the exterior of the Auditorium? Tokens can be purchased monthly for \$20, quarterly for \$60, semi-annually for \$120 and the remaining 11 months for \$220. Text or call Lorraine at 306-646-7885 to purchase your token, or contact Val, Danny, Lynda or Shannon to support this much needed fundraiser! Thanks to everyone who has renewed, your support is appreciated!
