## THANK YOU

The family of Dorothy Downer who passed away February 11, 2022 would like to thank Dr. Fitzgerald and the staff of the Virden Hospital for the excellent care the last 6 weeks of mom's life. She was always treated with dignity, respect and compassion.

To Carscaddens Funeral Services and especially John Dunfield for your expertise, professionalism and patience with us is greatly appreciated.

To Father Matt Koovisk and Reverend Anna Sproule, the service was perfect and just what mom wanted. The fact that mom and Matt attended the same school in Kelowna and Anna is a relative made it extra special.

A huge thank you goes to the Virden Legion Branch #8 for allowing us to use the clubroom for her lunch and socializing. The Legion was such a huge part of mom's life and she cared for it and the people there so much.

Also thank you to the Legion Auxiliary for the excellent lunch.

We want to thank everyone for the cards, messages, phone calls, food, gift cards, flowers and donations to the Virden Legion Branch #8 before and after mom passed away.

To everyone for attending the funeral in person or on line, supporting us and helping us to celebrate the life of our mother, grandmother, great grandmother and friend. She inspired everyone she knew and left a lasting impression no one will ever forget.

Sandra Johnston, Wanda Wielgoz
Brenda Falkenstein and families

# Maryfield Primary Health Clinic

**Monday: 8:00-12:00; hours extended on doctor clinic Mondays**
**Tuesday-Friday 8:00-4:00 Nurse Practitioner**
**233 Main street**
**(306) 646-2133**

Nicki Ford, Nurse Practitioner, is providing appointments by telephone and in person. All in person appointments will be screened prior to arrival. Anyone visiting any SHA facility must wear a mask while in the facility. This will be provided for the patient. As provincial guidelines change, we will follow the direction given by the SHA for facility policy.

Public Health Clinic will be held Wednesday, April 6, 2022.

Dr. Van Der Merwe will be in clinic Monday, April 11, 2022.

Everyone who needs care will be seen at the Maryfield Health Centre, even if you have symptoms of COVID-19, or if you are positive for COVID-19. The Maryfield Health Centre do ask that you be honest with us in our screening questions so that we can use proper protective equipment and can remain healthy. That way, we can continue to provide care to the community.

**PLEASE BE SURE TO CHECK YOUR MEDICATION REFILLS AND PLAN AHEAD. BE SURE TO GIVE YOURSELF ENOUGH TIME TO ACCESS A MEDICAL APPOINTMENT FOR REFILLS. WE ARE OFTEN SEEING OVER A WEEK WAIT FOR AN APPOINTMENT.**

## April 16th is Advance Care Planning Day in Canada!

You could be thinking *"I'm young and healthy! Why do I need to do this?"*

***LIFE HAPPENS,*** no matter what you have plans to do. Advance Care Planning provides your inner circle with peace of mind. They are more comfortable and confident to make decisions on your behalf. Sometimes, we need someone else to be able to speak up for us when we become ill and cannot speak for ourselves.

We make plans for our financial future, so it only makes sense to make plans for your health future! Without any plans made, it can cause a great deal of stress and worry on your caregivers who have to make the decisions .

For more information, visit advancecareplanning.ca/acpday . If you do not have access to the internet and would prefer a paper copy to review, call the clinic and we can have one printed for you to pick up.

**TO FAIL TO PLAN IS TO PLAN TO FAIL!**

# NEWS FROM MARYFIELD SCHOOL

March was a very busy month at the school! Thank you to all of the community members who came out to support us in our pancake breakfasts on the 5th and 13th, as well as Borderland Co-Op who donated most supplies for one of the breakfasts! They were wildly successful and the funds will go a long way in supporting the efforts of both our SCC and our Graduating Class of 2022.

In March we welcomed some new faces to our school staff! Tyrel Bertram is currently teaching in the morning in Moosomin, and has graciously stepped into our building for the afternoons to teach ELA 9/10 as well as PAA 9-12. Susan Wilson from Wawota has also stepped into our building this month and is teaching 5-8 math as well as 7-9 health and 9/10 science. Both Susan and Tyrel have appreciated the warm welcome from both the school and the community.

To finish off March we are also in the process of getting our school canteen back up and running. Students will have the opportunity to purchase treats and will have some meal options available to them right within our school. Thank you in advance for your patience, as there will likely be some growing pains as we gradually bring in our initial inventory and figure out exactly which items are most popular with the students!

Here is some of what we are looking forward to:
April 1 – Hot Lunch – Shepherd's Pie
April 4 – SCC Meeting @ 7PM in library
April 7 – Report Cards go out
April 11&12 – Student Led Conferences
April 15 – Good Friday – No School
April 15-24 – Easter Break – No School
April 29 – Hot Lunch

Be sure to keep an eye on the Maryfield School Facebook and Instagram pages for more updates!

## SCC News

"Engaging the community in the learning and well-being of our youth." Hello from the School Community Council! This year's council members are Ashley Clark (chair), Jaida Adamson (vice chair), Ana Gray (secretary/ treasurer), Krista Downer, Miryha Retzlaff, Sherry Retzlaff (teacher representative) and Petina Cook (principal).

We would like to send out an official welcome to our new principal! We are looking forward to having another team member on board who cares about our school and its place in our community.

In March, we sourced workers for the rink kitchen during the Lions' Minispiel. Thank you to the parents, and Lions who worked in the kitchen and/or donated food. Thank you to our principal for taking the time to do a kitchen shift. The elementary students really look forward to this day!

We ran the pancake breakfast at the Winter Family Fun Day with the grade 12s. Thank you to Borderland Co-op for sponsoring the breakfast. We forgot to count plates but, we think there were around 60 breakfasts sold! Thank you to everyone who came for breakfast.

This month we purchased 15 youth jerseys with our cross country athletes in mind. These blue pinnies will have the Falcon logo across the front and a blue and white stripe down each side. Our athletes will be able to represent Maryfield School in style!

If you would like to get involved with the SCC, we meet the first school day Monday of the month. Our next meeting is **April 4 at 7pm** in the school library. New members are welcome!

Alternatively, if you would like to join our volunteer bank (no meetings required) please let an SCC member know and you'll be added to the list. We periodically call on our volunteer bank for extra help in the school and for community events. We really appreciate the extra hands.

## CURLING OPPORTUNITY FOR NEXT SEASON

Cory Barkley from Virden contacted me to see if there was interest in organizing a touring developmental junior inter club league amongst communities in Saskatchewan and Manitoba that run close to the border. He is thinking Moosomin, Maryfield, Virden, Miniota, Reston, Russell. It would be for kids ages 9-15. Some of his thoughts are:

- Sundays 2 or 3 days a month
- 4-6 players on a team so there is always enough players
- Teams could be boys, girls or mixed.
- Some developmental lessons to start (half an hour)

He wants to have input from parents and make it work for all those interested. If possible one or 2 teams from the above communities.

He would like feedback this spring so the league could be started in about November. If anyone is interested and would like Cory's contact information, please contact Janet Lemon. 306-646-4604

## Maryfield Recreation Director News

# Maryfield District Lions Minispiel

Maryfield District Lions hosted their annual “Minispiel” on Wednesday, March 9, 2022. The event was held at the Maryfield Rink with Maryfield School students from grades 1 to 6 and some home-school children participating. Fourteen teams participated in the event. Maryfield District Lions and Maryfield School staff did the on-ice supervision, keeping the teams organized and helping the youngsters with strategy and scoring. The participants learned about curling, strategy, scoring and etiquette. Participants could skate when they were not busy curling. The Lions presented the top eight teams with trophies; team ranking was based on points earned through wins, ties, ends scored and points scored. All participants went home with a bag of chips supplied by Maryfield School. Lots of parents, grandparents, friends and neighbors were out to watch the young curlers. Many thanks to everyone who helped make the minispiel a success, including everyone who worked in the kitchen and donated food.

# Maryfield School Curling Program
## Curling Canada Youth Grassroots Funding Initiative.

Year One of the Maryfield School On-Ice School Curling Program came to a close on Thursday, March 10 with the last of 8 sessions. Despite several cancellations due to COVID closures , cold weather and blizzards, sessions were re-scheduled and all sessions were completed. Grades 3 to 8 students from Maryfield School as well as six home-school children participated in the curling school. Grades 3 and 4 started on the ice at 9 am and then moved upstairs for a 45 min off-ice lesson at 10:15 when the grade 5 and 6 crew arrived. The grade 5 and 6 on-ice session ended at 12:15 with a short off-ice snack and lesson midway through their 2-hour period. Finally the grade 7 and 8 group took to the ice at 1 pm and continued to 3, including a short off-ice snack and lesson.

Janet Lemon was the main organizer, coordinating with the school, organizing guest instructors, ensuring snacks were available and leading the off-ice lessons. Barb Swallow was the lead instructor for the program, planning the on-ice lessons and coordinating with the guest instructors as needed to give them direction on their day. Randy O'Greysik assisted with on-ice instruction at all 8 sessions. Guest instructors included Kelly Kay, Lydia Frazer, Cam Thompson, Jessica Thompson, Rachel Erickson, Kim Eklund, and Pauline Lincoln.

On-ice sessions involved a variety of demonstrations followed by drills which allowed participants to develop their slide, practice line of delivery and their rock release. Sweeping drills and two-end games allowed for discussion relating to weight and strategy. Off-ice sessions focused on scoring, curling etiquette, awareness of player positioning on the ice during a game and strategy. The majority of the participants had very little knowledge as they started. It was their first experience with curling rocks, stepping on curling ice, and trying to push a 44 lb. rock down 150 feet of ice. They had to learn the terminology of the game as well as the rules of safety and etiquette. The participants showed considerable progress in their slide development, rock delivery and knowledge of the game. The students were excited to participate and eager to return for the next session. Year Two of the program will allow students to continue developing their skills and knowledge of the game. The goal of the program being to give all students in Maryfield the opportunity to learn to curl and nurture a love for this lifelong sport.

Thank you to Curling Canada for this funding through the Curling Canada Youth Grassroots Funding Initiative. Thank you to all of the instructors for sharing their expertise with the young curlers. Thank you to Maryfield Rec Board and the Village of Maryfield for the use of the rink for the program, to Endless Creation for the donation towards instructional aides and to the Maryfield Curling Club for the MAP grant funding to help with the purchase of equipment for the youth. Thank you to those who donated muffins for snacks and those who came to help out at snack time. A huge thank you to Maryfield School staff and students for agreeing to participate in the program. The school staff walked the students to and from the school, even on some pretty nasty mornings as COVID protocols did not allow the use of the buses. Overall the program was a huge success and we look forward to Year 2.

Thank you to everyone who has purchased tokens , your support of this fundraiser is appreciated, with all proceeds going toward the renovations of the exterior of the Auditorium.

## SASK LOTTERIES COMMUNITY GRANT

Each year funding is available through Saskatchewan Lotteries. The funding amount is based on a per capita amount, for the populations of the Village of Maryfield, the Village of Fairlight, the RM of Maryfield and the RM of Walpole. The program is designed to provide funding for sport, culture and recreation programs and is administered through the Maryfield Recreation Board.

The Recreation Board then disperses the money to local groups and clubs (some via kitchen convening). A follow-up report must be prepared for the Saskatchewan Lotteries Community Grant. The follow-up report includes receipts for eligible expenditures.

Organizations that wish to receive grant money can contact Pauline Lincoln, Maryfield Rec. Board treasurer, for information on allowable expenses. Projects and related expenses must have occurred between April 1, 2021 and March 31, 2022. Call/text Pauline at 306-646-7691 or email pauline-lincoln8@gmail.com.

## SNOW PLOUGHING:

The RM Council would like to thank everyone for their patience during the winter storms as we faced challenges with equipment from delayed delivery to breakdowns. The new grader has arrived and we are now operating with a full compliment of machinery. Please keep in mind during the winter months the RM Policy is to clear the main artery roads and bus routes first – as they take priority over private lanes and bin yards. If you have issues with a road that is blocked after a storm, please call your councillor.

Please remember that the graders will not be out on the roads when there are 80 kms winds and snow is blowing – it is a dangerous situation for all parties! Once the storm is over and visibility is good – the graders will be out working to open roads up as quickly as they can.

## SEASONAL & SUMMER STUDENT EMPLOYMENT OPPORTUNITIES:

The RM Council is accepting resumes until Noon April 13, 2022 for the following two positions:
Seasonal Worker – Preference will be given to applicants with a Class 1A or 3A licence.
Summer Student – Must have a Class 5 license.
Detailed job postings are listed on our website and Facebook page. Those interested can submit their resume either in person to the RM office or email rm91@sasktel.net .

## OFFICE HOURS:

The RM office will now be open the following days/hours unless notice is posted on the front door:
Monday to Friday from 9:00 – Noon, 1:00 - 5:00.

## AFTER SCHOOL KIDS' CURLING

Maryfield's After School Kid's Curling finished the season on Monday, March 14. This program that been running for 15 years and is open to children grade 2 and up. There were 22 participants this year. The kids had one and a half hour of curling instruction followed by hotdogs and cookies/cake. Thank you to our all our instructors. Head instructor was Barb Swallow with assistants Randy O'Greysik, Barb Boon, Joni Wielgoz and Janet Lemon. Thank you also to the parents who had their children take part in Kids' Curling and also helped make or prepare food.

This year Viterra sponsored the Blizzard program and Kids' Curling used their sponsorship to assist with instructor training and ideas and tips for lesson plans.

## MARYFIELD YOUTH BONSPIEL

Maryfield Rink was a busy place on Sunday, March 6, as Maryfield hosted their annual Youth Spiel. Curlers from Wawota, Moosomin, Elkhorn and Maryfield were in attendance. There were 2 events which included both full sheet and half sheet curlers. Coaching volunteers were on the ice all day to help out the participants. It is great to see the next generation enjoying the sport of curling!

Casey played U15 female hockey out of Estevan with the Bearcats this season. The team was made up of girls from Estevan as well as communities from the south-east corner of the province . The team saw great growth and development being competitive with the top teams after Christmas.

## REDVERS U9 TEAM

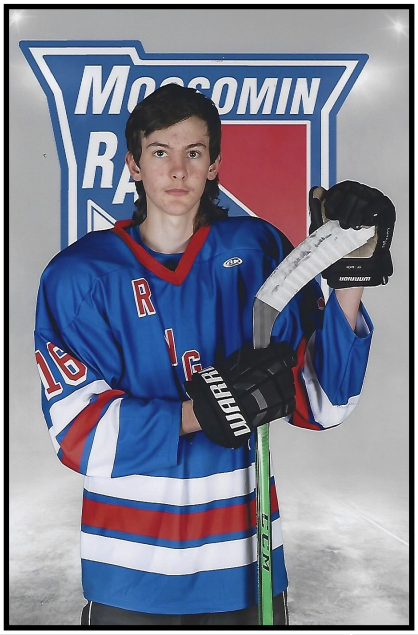
Jackson & Gannon Dyrkis and Carter Clark played the 2021-22 season with the Redvers U9 Team!

## Wawota U13 Flyers

Hudson Lincoln, Harley and Everlee Bourgeois, Turk and Duke Lesnar, and Brayden Clay played with the Wawota U13 Flyers. Chris Lincoln was the coach. This team had a great season, winning the Moose Mountain Minor Hockey League Championship. They also made it to the 3rd round of provincial playoffs before being defeated by Redvers.

## Moosomin/Wawota U15 Rangers

Levi Bourgeois, Ryder Lincoln and Daniel Clay play with the Moosomin/Wawota U15 Rangers. They are currently playing the B side Major Hockey League Championship against Esterhazy. They made it to the 3rd round of the provincials before being defeated by Prairie Storm.



**Congratulations, everyone on a great Season!**

## Redvers U15 Rockets

Rylan and Kenzie Lawless as well as Tristan Swayze played for the Redvers U15 Rockets. They had a good year, finishing the regular season with a record of 9W-8L-3T in the MMMHL. They had a really good series with Wadena in the first round of provincials but unfortunately did not advance.

### THE FITZGERALDS

**Thursday, April 07, 2022 7:30 PM**
**Moosomin Community Theatre**

Meet The Fitzgeralds-a family group consisting of 3-time Canadian Grandmaster Fiddle and Step Dance champions - Tom, Kerry & Julie Fitzgerald. With roots in Canada's renowned Ottawa Valley, The Fitzgeralds have evolved to include a wide variety of material in their performances, including Celtic fiddle pieces, high-energy step dancing, and a strong focus on original compositions and arrangements. Their extensive tour history includes performances with notable artists; Natalie MacMaster, Ireland's Nathan Carter, Leahy, Tony McManus, Cherish the Ladies, The StepCrew, and Lunasa. In 2017, The Fitzgeralds went 'viral' on Facebook via Ireland's leading newspaper (Independent.ie), with over 7 MILLION views of their original choreographed dance routine! It is the rare combination of exceptional musicianship, mind-blowing step dancing, audience interaction, evident love of performing, and genuine sibling connection that resonates with audiences of all ages and sets this group apart.

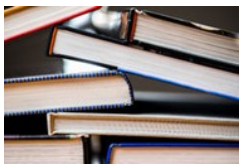
**ADULT BOOK CLUB: Tuesday, April 12 at** 3:30 p.m. ***An Astronaut's Guide to Life on Earth*** by Chris Hadfield. Last month's *The Book of Memory* is a story about life in Zimbabwe; it describes a woman's early life, her struggles as an albino in a country where witchcraft and signs of the devil still play a prominent part in that country's beliefs; as a woman given the death penalty for a murder she didn't commit. She had a trial but she was not allowed to speak at it, her skin colour and her sex being held against her.



Once I started reading this book, I found that I had to keep on reading to find out what would happen to this woman who was educated in Britain yet thrown into jail at home. Find out how, after 10 years in prison with no release in sight, she was able to give her life some meaning by helping other prisoners, most of who could not read, to learn something of the wider world.

# VILLAGE OF MARYFIELD SUMMER EMPLOYMENT

The Village of Maryfield is accepting applications for Summer Employment for 2022. Preference will be given to those applicants with a driver's license and experience operating machinery but is not essential. This position will be a part-time position with a minimum of 30 hours per week, for up to 16 weeks. The proposed start date for this employment is May 1st.

The position shall include, but not be limited to, the following:

- General maintenance of the water and sewer plants
- Operation of Village owned mowers, lawn equipment and the Village truck
- Other manual labour as required

This position requires someone with a willingness to learn about the water and sewer maintenance as well as being able to operate and assist with equipment operations. The successful applicant should be able to work with minimal supervision.

Interested parties should forward a written resume, no later than 4pm, April 20, 2022, to:

The Village of Maryfield
P.O. Box 58
Maryfield, SK
S0G 3K0
or
by email at villageofmaryfield@sasktel.net

Please mark "SUMMER EMPLOYMENT 2022" on the outside of the envelope.

# Mayor's message

Spring is here and with that council would like to remind everyone to please make sure that your sump pumps do not drain into the sewer system. So far the thaw has been slow and we haven't had any huge issues with drainage. We will continue to monitor the problem areas.

It's exciting to see all of the programs and events that have been happening in the community. The boards and individuals organizing them are doing incredible work. April 14th is the deadline to get applications in for the Covid-19 restart grant for non-profit and volunteer groups in the village.

Regards,
Scott Eklund

## FAIR NEWS

We are excited that there will be a Fair like it used to be lo-o-ong ago, before Covid.

### Fair Date: Friday, July 22

The Horse Show will take place at the same time. Contact Fran Balls or Janet Lemon to volunteer for the day or for an hour. There will be lots of activities and lots of interesting things to do.

***Exhibit Hint: When putting the binding on your quilt, make sure that the edge of the quilt comes fully inside the binding so that there are no empty or soft areas along the binding. This is one of the things judges check, especially when trying to decide between 2 or more quilts that are of equal workmanship.***
