Check out Maryfield Public Library for books on exercise regimes if you are not online.

Try going for a walk and follow the Walk About Maryfield Signs! You can start off at the billboard on Main Street by the store and go from there.

Live out of town? Take a walk around your yard, down the road or through the field.

October

Happy Thanksgiving! I hope you all have a great weekend if you celebrate.

October Event Line Up.

Remember to check the graphics for full details on each event.

What has Maryfield Recreation been up to?

I welcomed kids back to school with an after school camp activity. We played games, had the bouncy castle up, did crafts, danced and had snacks! This activity was sponsored by Maryfield Recreation and free for all who attended. A big shout out to the volunteers who made this possible. I had a great group of big kids come out and help me.

October 3 - After school FREE big kids craft.

Villa Activity open to residents of the Villa and Haven.

I spent an afternoon at the Maryfield Villa doing a fall themed craft with some of their residents. I packed up my craft supplies and headed there to make some pumpkin shaped signs. This activity was also a Maryfield Recreation Sponsored event provided for free to the Villa. Thank you for having me!

October 21 - Fall Fest Craft and Trade Show. 11:00-3:00 lots of vendors booked already! Lunch available by Crusty's Pizza and Subs.

I wanted to take a moment to thank all the volunteers who help out at Maryfield Recreation events and activities. Volunteers of all ages come and help me run events and I am truly grateful to all of you. If you have volunteered with me, please remember that you can talk to me about being a reference on job and school applications.

October 28 - Halloween Party at Maryfield Rink.

A great chance for kids to wear their costumes inside! Open to everyone, costumes welcomed but not necessary .

HAPPY HALLOWEEN

Thank You
Sarah Van Eaton

Maryfield Recreation has had a great group of young volunteers helping out with some events. After school kids camp was held in September with a large group of younger kids from Maryfield and area. We played games, jumped in the bouncy castle, did crafts, danced and had snacks. I had a group of teens and one other adult help run the kids camp.

I wanted to shed some light on how hard these kids have been working to help at these events. They do any and every job required to pull off a fun filled activity. They take time to work with little kids, set up, clean up and really do any odd job needed.

Thank you all! Maryfield Recreation activities would not be possible without your help!

News From Maryfield School

We have had a good – and busy! – start to the 2023-24 school year. It's hard to believe that it is already the final week of September.

In addition to getting back into the routine of classes after the summer break, students have been busy with extra-curricular activities and school events. We began the month with our community back-to-school BBQ on September 5th. Since then, students have been busy with the start-up of the cross country and volleyball teams as well as extra-curricular clubs such as the Hiking Club. Recently, the entire school participated in the Terry Fox Run fundraiser on Friday, September 22nd, the first time the entire school was able to participate in the event as a whole since 2019. Looking ahead to the coming days, it looks like we will continue to have a full schedule, including Orange Shirt Day in observance of the National Day for Truth and Reconciliation, Picture Day, cross country meets, volleyball games, an evening Open House, and events sponsored by our School Community Council (SCC) such as the annual Soups On initiative.

Upcoming Dates:

September 28th – Orange Shirt Day
September 29th – Picture Day
October 03rd – Maryfield School Open House
(doors open at 7:00PM)
October 13th – Soups On event (sponsored by the Maryfield SCC)
October 31st – Halloween

Upcoming Dates – volleyball home games:

October 03rd – Jr. Girls and Jr. Boys – home game v. Rocanville (Come and cheer on our Falcons before the open house! The game is scheduled to start at 4:30PM, and the Open House begins at 7:00PM.)
October 12th – Jr. Girls – home game v. Wawota (4:00-5:30PM)
October 17th – Jr. Boys – home v. Redvers (4:00-5:00PM)
November 09th – Jr. Girls and Jr. Boys - Districts (details and location TBD)

Upcoming Dates – cross country meets:

September 27th – Grades 3-12 meet in Estevan (Torgeson Park, 4:00PM start)
September 30th – Grades 3-6 Districts in Rocanville (Rocanville Golf Club, 1:00PM start)
October 04th – Grades 7-12 Districts in Oxbow (Bow Valley Ball Diamonds, 12:30PM start)
October 14th – SHSAA Provincials in Regina (Canada Games Athletic Complex, details TBD)

We are fortunate to be part of such an actively engaged community, and our students' learning experience is enriched by all the opportunities made available to them. As always, please keep an eye on the school's social media pages for updates.

SCC News

"Engaging the community in the learning and well-being of our youth." Hello from the School Community Council! This year's council members are Ashley Clark (chair), Jaida Adamson (vice chair), Ana Gray (secretary/ treasurer), Miryha Retzlaff, Lisa Pahl, Sarah Romanik, Sherry Retzlaff (teacher representative) and Jordan Ethier (principal).

We eased into the new school year with the Back to School BBQ on September 5th. For those that don't know, during the Back to School BBQ, the SCC cooks the burgers and hot dogs and the school staff serves them along with a drink and a treat. As usual, it was well attended. It was so great to see everyone there!

Thank you to the Maryfield Rec Board for letting us use their BBQ. Thank you to Mason Sweeting, Duke Lesnar, Cagen Sauter, Hunter Hamilton, Hudson Lincoln, and Brody Schmidt for helping to load and unload the BBQ.

If you would like to get involved with the SCC, we meet the first school day Monday of the month. New members are needed and will be added as official members at our AGM in October.

Alternatively, if you would like to join our volunteer bank (no meetings required) please let an SCC member know and you'll be added to the list. We periodically call on our volunteer bank for extra help in the school and for community events. We really appreciate the extra hands.

Our next meeting is our AGM, **October 16th at 7pm** in the school library.

FLOWER POWER NEWS

The Flower Power Committee would like to thank all those that helped with the gardens this year. We also appreciate those who generously donate to our committee. The heat and lack of rain throughout the summer made our watering volunteers work extra hard. Also this year it took a long time for our plants to become established. However on a positive note, the frost has stayed away and we have been able to enjoy the flowers throughout September.

NEW COUNCILLORS

Over the last couple of months By-Elections were held for the offices of Division Five Councillor and Division Four Councillor. Bryce Olsen is the newly elected Division Five Councillor and Louis Hebert is the newly elected Division Four Councillor – both offices were elected by acclamation. Welcome to each of these new members of the Council of the RM of Maryfield.

TEMPORARY &/OR ELECTRIC FENCE:

Temporary &/or Electric fences are being left in the ditches and not being cleaned up which cause more mower down time. Please be advised that if you have electric fence on the side of the road or in the ditch bottoms, you are responsible for cleaning it up. Should our mower or equipment become entangled in the fence, you will be billed for the machine time, any repairs necessary and the personnel time it takes to clean it out of the equipment.

The Council would like to remind ratepayers that all fences (permanent and/or temporary) are to be 50ft from the centre line of most roads (75ft on grid 600).

CONSTRUCTION OF MAIR ROAD:

There is on going construction/repairs happening along the Mair Road - Council would like to remind everyone using the road to please slow down and follow instructions according to the signage placed on the road. Please be mindful of construction

equipment while they are at work.

MOWING:

Mowing of Municipal ditches continues. Please slow down while driving past the RM equipment.

SPEED LIMIT:

Please remember that the speed limit on all municipal grids within our municipal boundaries is 80 kms – please be courteous and slow down for oncoming traffic and/or municipal equipment working on the roads & ditches.

CONTROL BURN NUMBER

If you are going to be burning, PLEASE CALL THE CONTROL BURN number 1-866-404-4911. If the fire department should get called out YOU WILL BE BILLED A MINIMUM CALL OUT FEE! In the event there is a Fire Ban on you will not be given permission for a control burn therefore when the fire department is dispatched you WILL be billed!

SPRAYER TANKS:

The RM of Maryfield would like to remind all patrons using the tank fill site within the Village of Maryfield that spray containers are NOT to be on the trailers while filling at this location.

The RM Council and Staff would like to take this opportunity to wish you blessings of health and happiness this Thanksgiving. May you always feel an abundance of love, laughter and grace!

Diyet is an Indigenous singer & songwriter from the Yukon who blends alternative country, folk, roots and traditional music with her native Southern Tutchone language and stories. Backed by Love Soldiers, a trio composed of her husband and collaborator, Robert van Lieshout, and Juno Award-winning producer Bob Hamilton, Diyet's music is a fusion of big stage and intimate room sounds, capturing her adventurous and chaotic life experiences. She sings in both English and Southern Tutchone and plays bass guitar, creating a unique sound that showcases her Indigenous world view and northern life.
