MARYFIELD DISTRICT LIONS

Wednesday, December 7, 2022, Maryfield District Lions held its annual Christmas Party. 2nd Vice District Governor Heather Vermeersch was in attendance. Following a brief address, the 2nd vice district governor presented a number of awards.

Lion Bob Darroch was presented with his 55 year Chevron. Lion Bob is the only active Charter member of the Maryfield District Lions. He continues to be a very dedicated member. We are thankful for his continued service.

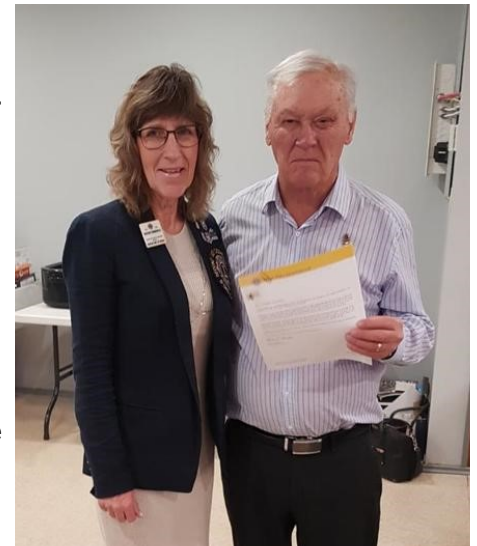

Lion Rob Hill received his 25 year Chevron. Besides his involvement at the local club level, Lion Rob is very involved at the district, multiple district and international levels. Lion Rob received a Progressive Melvin Jones Fellow for his dedication to the Lions Clubs International Foundation's humanitarian objectives. Lion Rob was presented with a 2021-22 International President's Award for his outstanding service to Lions Clubs International. The International President's Award is an expression of the president's appreciation for Rob's dedicated service to those in need, his hard work and compassion. Finally Lion Rob received a GAT CA Leader Appreciation Award. Lion Rob received this award for his work as Global Action Team Constitutional Area Leader. Rob continues his work in this area as a Global Action Team Ambassador.

Marvin Chambers awards were presented to Lion Dale Percy, Lion John Clay and Lion Barb Swallow for their excellent service through Lions.

Maryfield District Lions received a 2020-2021 Club Excellence Award for excelling in the areas of membership, service, leadership and organizational excellence, and marketing. Lion Freda, past president, accepted the award on behalf of the club.

Lastly we inducted a new member, Ann Jackson. It is always exciting to have new members join our club. The life of the club is dependent not only on the continued service of existing members but on the growth of its membership as new members join. Maryfield District Lions is always open to new members—it would be great to see some of the younger generation get involved.

Supper meeting the 1st Wednesday of the month. Service activities and projects as planned by club.

News From Maryfield School

Happy New Year!
Welcome to 2023!

Like usual, December blew by in a hurry! It was a flurry of events, and even included some singing, dancing, and a whole lot of laughter.

The grads would like to thank Miryha Retzlaff for organizing the vendors for the Christmas Bazaar Craft Sale at the end of November! Thank you to Sherry Retzlaff for organizing the kitchen and everyone that assisted in making soup and serving it at the event. This is one of their biggest fundraisers of the year and was an incredibly successful and well attended event.

As we move into the more grueling months of winter, please be sure to keep an eye on the school's Facebook and Instagram pages for updates on buses.

Upcoming Dates:

Jan 9th – Classes Resume

Jan 31 – Last Day of semester 1

Feb 1st – No school (semester turnaround day)

Thank you to Denray tire for donating 2 tires. Thank you to Doug and Carmen Dixon for donating 2 tires. The students couldn't wait to get out there the first day and they are still loving it. You all made a lot of hearts happy.

This month we had our annual complementary pizza and cupcake hot lunch for the staff and students. The SCC pays for the first slice of pizza. The staff and students can buy additional slices if they want more. Thank you to The Arlington for making the pizza. The students really look forward to pizza hot lunch.

Annual Rink Cleanup

Maryfield Rink has opened for the season. There is still lots left of the annual clean. Please consider dropping in for an hour or two any time that's convenient for you. Contact Barb Swallow if you have some time and need the rink open. A list for cleaning will be posted on the wall. Cleaning supplies can be found in the kitchen and/or utility room. If everyone digs in for an hour or two, the dust bunnies will be gone in no time.

HOCKEY ENTHUSIASTS!

The hockey nets are too heavy for one person to lift up off the ice. If you like the ice in good shape, you need to lift the nets off the ice at the end of your skate so that it can be flooded. Every puck left on the ice will be one less for the next session. Please help keep the rink run smoothly!
