## Maryfield District Lions Christmas Celebration

Maryfield District Lions held their annual Christmas party on Wednesday, December 4 at the Maryfield Harmony Centre. The Harmony Centre ladies catered a delicious roast beef meal followed by Christmas pudding and apple loaf. Many thanks to the Harmony Centre ladies, to David Hill for cooking and cutting the roast beef, and to Nora for making the gravy. Special guests at the Christmas party were District Governor Lion Heather Vermeersch and her husband, Jim, and Zone 10 chair Laurie Dube. Village Administrator Brittany Raymond, her husband, Kelsey and David & Nora Hill were also in attendance.

Following the supper, District Governor Lion Heather addressed the group. District Governor Lion Heather assisted by Zone Chair Laurie inducted Tanya Reitzel as a new member of the Maryfield District Lions. Brian Douglas and Lisa Gagnon, two other new members, were unable to attend and will be formally inducted at a later date.

Congratulations and welcome Lion Tanya!

i hope you had a wonderful holiday season!

If you or anyone you know would like to teach a class through Maryfield Recreation, please reach out and we can set something up. Fitness, crafty, artisan, etc.! Instructors for any type of course are welcome!

Crochet classes are back, this time a toque making class for adults will happen on January 11th at 2:00. It is recommended to have some crochet knowledge for this one, or have taken the toque class. Darla Sauter is our instructor! Darla is very talented and has crocheted for years.

There are currently two spaces left for the clay mug workshop on January 13th and Jan 27th. These are being held at Moosomin Visual Arts Center and we will be carpooling.

We would love to get a kiss after school club going at Maryfield Rink. We do need to gather volunteers to assist in supervising these sessions. We will host them over six weeks. Tuesday's after school. Craft supplies will be provided. Please reach out if you would be able to supervise one session. Beginning mid January. We look forward to showcasing our new lounge and using it for a variety of events!

Feel free to stop by Maryfield Rink to see the newly renovated upstairs lounge. A huge thank you to the many volunteers who spent countless hours working on the space. Also to our contractor, TtL Woodworks, all those who donated and all our local area businesses for their great service!

*Thank You Sarah Van Eaton*

## News from Maryfield School

And just like that 2024 has come to a close! What a wild year it was, and December was no exception! Thank you so much to Mrs. Stewart for coming in to work in Ms. Teneycke's classroom for most of the month. We couldn't have survived the December craziness without you, and we greatly appreciated your help with the cookies for our spirit week cookie decorating before Christmas.

Our Christmas spirit week was quite interrupted with 3

days without buses due to weather, but we still managed to bring it all together for our annual tradition of "Fun Day" on December 20. This year we had our grade 6-12 students

split into 3 teams representing spring, summer, and fall. They spent the day competing for greatness, and it was a very close matchup overall. Some of the activities this year included: chants, costumes, blind volleyball, trivia, gaga ball, surviving a ship wreck, air bands, and a grab bag relay. Team Summer came out victorious in the end, but it was a fun day that was enjoyed by all. Special thanks to the SCC who organized a pizza lunch for all in attendance that day, and for gifting our students with each a free slice.

The graduates have asked that I pass along a thank you to everyone who supported them at the Maryfield Christmas Bazaar on November 30. This was a fantastic opportunity

for them to raise money for their celebrations in June, and was also a great chance for us all to do some Christmas shopping right here in Maryfield. Thank you to Miryha Retzlaff for organizing the tables and for the hours that you've spent planning this event. Thank you as well to all of

the local businesses who donated prizes to the silent auctions at the door. The next big fundraiser for grad will be a steak night at the Arlington on February 9<sup>th</sup>. Tickets will be available to purchase at the door!

In January we are looking forward to the fresh start that always comes with a new year! We are also looking forward to the return of Ms. Elliott to our school staff after her maternity leave. January will bring with it the end of the first semester for our grade 10-12 students. We will be having exams for our grade 10-12 students on Jan 28-30. Classes will continue on those days with only minimal staffing adjustments for students who are in younger grades.

Grade 10-12 students should plan to have all overdue assignments submitted to their teachers by no later than January 24, 2025.

### Upcoming Dates:

- Jan 6 – First Day Back
- Jan 6 – SCC Meeting @ 7PM
- Jan 28-30 – Grade 10-12 Exams
- Jan 31 – PD Day, No School
- Feb 3 – First Day of Semester 2
- Feb 3 – SCC Meeting @ 7PM
- Feb 9 – Grad Steak Night @ Arlington
- Feb 17-21 – February Break, No School

As always, keep an eye on the school's Facebook and Instagram pages for updates on everything that is happening at Maryfield School!

## SCC News

“Engaging the community in the learning and well-being of our youth.” Happy New Year from the School Community Council!

This year’s council members are Miryha Retzlaff (chair), Jaida Adamson (vice chair), Ana Gray (secretary/ treasurer), Sarah Romanik, Izette Van Jaarsveld, Lisett Caballero Tamayo, Sherry Retzlaff (teacher representative) and Petina Fox (principal).

In December, the SCC provided complimentary pizza hot lunch to the students on the final day before Christmas break. The SCC pays for the first slice, with the option to purchase additional slices if anyone chooses. Thank you to the Arlington Hotel for making and putting together this delicious lunch for us! It is always enjoyed and much appreciated!

Stay tuned for some great upcoming events and activities by the SCC in the new year; including treats in the canteen, movie night and the school dance!

If you would like to get involved with the SCC as a member, we meet the first school day Monday of the month. Our next meeting is **Monday, January 6 at 7pm** in the school library. Childcare can be provided – please let an SCC member know in advance if this is needed for you.

For those of you who have outstanding taxes and/or custom work to be paid for - please drop by the office to clear these accounts before the end of the year. All outstanding accounts will be charged an interest rate at 2% per month. Outstanding custom work will be added to your taxes if not paid for prior to December 31, 2024.

Council would like to remind everyone pushing snow to please refrain from piling snow from yards across the grid roads and/or piling along the edge of the grid. These piles get hard and cause a lot of damage and liability issues if they are hit. If you are found to be piling snow along the road you will be sent a bill for the cost of relocating the pile off of municipal right of way.

Just a reminder of the Municipal Policy regarding the grading/ploughing of private lanes. Ratepayers are allotted two free grades on their lanes, once in the spring and once in the fall ONLY if requested by the ratepayer. Any more than the 2 specified times and custom work rates will apply. A waiver must be signed and held on file at the RM office prior to municipal equipment entering onto private property.

Council would like to remind everyone about the Municipal Policy regarding Road Allowances. Before any work can be done, please contact your Councillor or the Office to bring your request to Council for approval.

The RM has subscribed to H2Notify – a notification system for rate-payers to keep up to date with notices and information. To sign up for the notification system go to our website and click on “H2Notify Registration” or scan the QR code. If you need help call the office 306-646-2033 and someone will help you register.

A photograph of the Maryfield Fire Department building. The building is a two-story structure with a light-colored metal roof and red vertical siding. The words "MARYFIELD" and "FIRE DEPT." are mounted on the roof in large, black, sans-serif letters. Below the roofline, there are three large white garage doors. The leftmost door has three small windows and the text "AMBULANCE" and "NO PARKING" below them. The middle and right doors also have three small windows and the text "NO PARKING" below them. To the right of the three doors is a smaller yellow door with a window. The building is set on a concrete pad with a grassy area and trees in the background.
