## THANK YOU

Thank you to all who came to Barry's funeral. Thank you especially to those who came from many places outside the community, who knew Barry from many different aspects of his life and to friends, relatives and United Church representatives (and friends) who travelled so many miles to be here. Your support was overwhelming for me and for the family. I am sorry I was not able to speak with each of you. Thank you to the United Church Food Committee for providing such an array of dainties in such a short time and to the Harmony Centre Committee for providing an excellent place for so many community activities.

Our children, their partners and our grandchildren helped so much by planning and preparing the meals, arranging the furniture and the outside areas to accommodate all who were here. Two of our families brought tents and slept in them even though it was quite cool at nights. Sometimes, some ended the night in the house. My sister, Gail (& Ken) stayed for several days to help with the paperwork (there is a LOT of it!) & with sorting through many things in the house, also helping to eat a bit of the food that was left.

Thank you to so many who have helped with the yard work including Kathleen (sister) & Dennis who were here for the class reunion, Rick and Sandra Johnston for mowing the lawn, to the Maryfield School Shop class for putting the garden to bed and getting the ATV going and to all who have come for a visit after everyone left, who have invited me to call or drop in especially when I might need to see someone and to the many who called, texted and emailed and who continue to check in often. Thank you to Sheldon and Tyler Van Eaton who I will be calling on to haul water and do some snow blowing. No doubt.

Fran Balls & family

## ANNOUNCEMENT

It is with sadness that we share the news that on October 5, 2025, Edward Peter (Pete) Adair, beloved husband of Susan, passed away in Humboldt. Dave and Nora would like to express their gratitude to family and friends in the community that supported us during this difficult time. We are truly blessed to live in such a caring community.

# NOVEMBER

Wow, October was a busy month that flew by! We kicked off the start of October with our first Adult Rec Volleyball night. We have continued through the month with them, every other Wednesday. In November we will have it, Nov 12 & 19 at 7pm. Everyone 13yrs and older is welcome to join us.

The Maryfield Community Acres harvest was pushed back a few days because of the rain but they were able to get it done Oct 8, with a great crew of volunteers! 4,247.117 bushels of canola were harvested that day. THANK YOU to everyone that contributed to the 2025 Community Acres!

Beginnings by Neena & Tamara joined us just before Thanksgiving, for a faux flower pumpkin arrangement class. We had a great turnout and everyone's centerpieces looked amazing! I will be getting them back closer to Christmas for another seasonal craft.

The rest of the month was busy with the prep work for our first annual Maryfield Pumpkin Growing Contest. Things were busy making sure everything was ready for a great evening in our wonderful little community. The Arlington Hotel catered the delicious roast beef supper. Thank you to Brendan and Amy for all your hard work before and during supper that night!

I was so pleased with the turnout for supper, with advance ticket sale and tickets bought at the door, we sold over 140 tickets. Thank you to everyone who joined us and made it such a great evening. It was so much fun seeing the reaction to the pumpkin weights as the pumpkins were weighed live in front of everyone. Next year we will do a live Calcutta in the spring and auction off the pumpkin growers, so be watching for that.

Halloween finishes off October for us, so I thought it would be fun to show one of my personal favorites, HOCUS POCUS at the local theatre. It's great to be able to watch the classics on the big screen. Admission is free and the first 25 who attend that night will get a glow stick and a goodie bag. The theatre concession will also be available for purchase.

With winter starting to close in, I will be doing my best to keep activities of all sorts going through out the cold season. I have quite a bit of things planned for all ages so make sure to stay tuned to the Maryfield Rec social media pages.

As always, I am available in my office Tuesdays from 9 am-1pm. Feel free to reach me anytime at 306-646-7650 or maryfieldrec@gmail.com

Cheers,

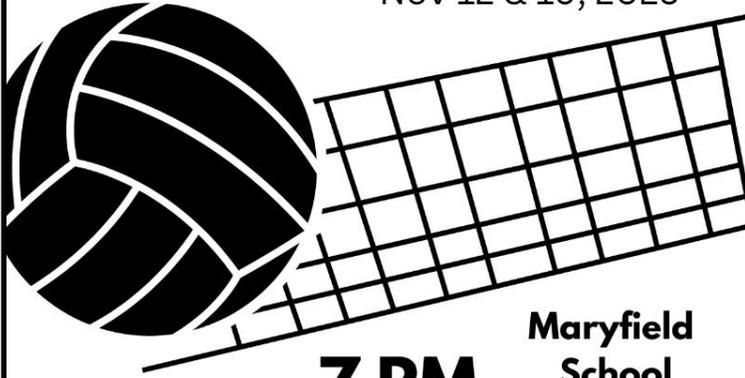

*Amanda*

## NEWS FROM MARYFIELD SCHOOL

October was a challenging month for many in our school. This month we found ourselves united in support of a student who was severely injured in an accident. We celebrated Socks in Crocs Day on Oct 24<sup>th</sup> and we will be finding other opportunities to come together as a school and support Hudson and his family in the coming months.

Thank you to everyone who supported our Terry Fox fundraiser in September. Our school raised nearly \$1400 this year! The top fundraiser was Kyle Low! We finished off our Terry Fox walk on Sept 26 with some DQ Miracle Treat Blizzards for all staff and students courtesy of Three Creeks Farms and Cairns & Sons Refrigeration.

Our open house event to kick off October saw approximately 50 of our students touring the school alongside their parents and loved ones. It was wonderful to see so many smiling faces in the school, and the photo booth was a great hit for the evening.

We also had our Little Caesar's Pizza Kit Fundraiser in October, which raised approximately \$1100 to go towards the purchase of new jerseys for our Falcon athletes. We are close to our goal and hoping to order jerseys before the end of the school year.

In November report cards will be shared over Edsby on November 14. If you are having trouble accessing Edsby feel free to contact the office and see Mrs. Roberts for some help. Edsby can be accessed through a computer or on your smart phone, and parents are able to enter absences and see up-to-date academic progress. Student-led conferences will be held after school on November 18 & 19. While conferences are on

we will be hosting a Scholastic Book Fair in our library from November 17-20! This is a great opportunity for you to do some shopping for the holidays and will be open to the public. The exact schedule for the sale will be posted to our school Facebook page closer to the day of the sale.

On Saturday November 29 our Grad Class of 2026 will be hosting the Maryfield Christmas Bazaar in the Lower Auditorium. There will be silent auction at the door, door prizes, and a warm lunch available for purchase. The tables for this event are already sold out, so it will also be a great opportunity to get some holiday shopping done right here in Maryfield!

A big thank you also goes out to Conrad and Shantelle Penner for the donation of an elliptical machine. This vital piece of equipment is being used to provide some alternative body breaks within our school.

## SCC News

“Engaging the community in the learning and well-being of our youth.”

This year’s council members are Miryha Retzlaff (chair), Jaida Adamson (vice chair), Ana Gray (secretary/ treasurer), Sarah Romanik, Izette van Jaarsveld, Lisett Caballero Tamayo, Sherry Retzlaff (teacher representative) and Petina Fox (principal).

This past month, the SCC prepared and served soup as a hot lunch for the students and staff. This was provided free of charge, with each family contributing the soup’s ingredients. The

veggie boxes in front of the school were also harvested and put into the soup. Thank you, parents, for sending your ingredients! And a big thank you to Barb Swallow for generously providing her homemade buns to enjoy!

We make a lot of soup! The extra soup was taken to the rink to be used in the canteen there throughout the winter.

A recent contribution from the SCC to the school included pickle ball supplies for the gymnasium! Pickle ball is growing fast in popularity, and we are excited for our students to be able to give it a try as well. Thank you to all who support hot lunches and other fundraising initiatives to make these contributions possible.

The SCC’s next meeting is **Monday, November 3 at 7 pm** in the school library. Community members and parents are welcome to attend any meeting. If you would like to become involved, new members and volunteers are always welcome! Childcare can be provided for meetings – please let an SCC member know in advance if this is needed for you.

Dental Essentials – toothbrush, toothpaste, dental floss, dental picks, etc.

# JESS MOSKALUKE

## “LIFE FOR ME” TOUR 2025

Wow! What a night! Maryfield Auditorium came alive Tuesday, October 14 when the Jess Moskaluke “Life for Me” Tour came to Maryfield. Maryfield District Lions who organized the event were delighted with the sold-out crowd. From the onset to the finish, the beat of the audience matched the beat of the band and the enthusiasm level sky-rocketed.

Lachlan Neville, a graduate of Rocanville High School, started the evening with a 20-minute session. Lachlan is a singer-songwriter who is just getting started in the music world but there was no sign of youthful jitters as he set about impressing the audience with his talent, both singing and playing. He sang several of his own songs – a solid performance and an excellent start to a very exciting evening.

After a brief intermission, Jess and her band took to the stage and the auditorium came alive. Jess treated those in attendance to a 75 min show followed by a 15 minute encore. "Take Me Home," "Kiss Me Quiet," "Knock Off," and her first NUMBER ONE, "Country Girls" had the walls and the floors of the old theatre vibrating with the beat. Jess's talent taunted the youngsters in the crowd and they took to the floor in front of the stage, swaying and dancing to the music. The applause, the cheers, the smiles told it all. It was an electrifying performance by a very talented young singer.

Many took advantage of the opportunity to purchase mementos from the merchandise table. Janet Dauvin of Redvers was the winner of the 50 / 50. Her take home was \$1012.50 with the other 50% going to the Maryfield Auditorium Lower Hall Acoustical Improvement Project.

The Maryfield District Lions would like to say thank you to:

- Jess and her crew for the wonderful concert
- Lachlan Neville for sharing his talent with us.
- Lion Brian Douglas for getting the ball rolling so the Lions could bring Jess to Maryfield
- Paul Archambault of Kola for his work on sound and lighting
- all the volunteers who worked with the Lions to ensure the evening was a success. Special thanks to the Moosomin Lions, Dale Flynn, Charles Friesen & Kim Hogg who came down to help out.
- Maryfield Auditorium for the use of the hall and for running the concession booth
- Val Fouillard for her assistance with ticket sales, and Amanda Cairns for her online advertising and updates
- Brendan Paliuk and the Arlington Hotel for providing day rooms for the band, for hosting the band for supper at the Arlington, for the monetary donation towards the food and for the advice on the liquor quantities needed.
- Kade Fowler and Levi Bourgeois for helping with the unloading and loading.
- to everyone in the audience who purchased tickets and made the event such a success.

An evening such as this shows just what makes small towns successful – an organization with an idea, members who believe they can make something “special” happen and volunteers who dig in to make it a reality. Thank you everyone!

## International Peace Poster Contest Results

This contest is designed to give students the opportunity to think about what peace means to them and then portray their thoughts in artwork. Students, aged 11 to 13, are eligible to participate. Since Maryfield has multi-grade classrooms, students in grades 3 to 7 participated at the local level. This year's participants produced some very interesting entries. Posters were evaluated on three criteria: originality, artistic merit and expression of the theme, "Together As One". Maryfield District Lions would like to thank all of the students who participated and the staff at Maryfield School for their guidance and for providing class time for the students to complete their work. This year's winning posters are displayed below. Kyle Low's poster placed first that the provincial District convention and will now advance to the Multiple District 5 competition. Well done Kyle!!!
